# Will you be *with* an orphan or vulnerable child this Orphan Sunday?

All around the world, children are without love. And it's not just a need that exists in a faraway place - it's a need right outside your door. Many children wait right now for a loving family, mentor or friend. *It takes just one loving person to change the life of a child.*

**Want to make a difference today?**

Be *with* foster and adoptive families who are reaching vulnerable children.

**Everyone Can Do Something!**
